## Solicitation Addendum

---

Addendum No.:	1
Solicitation No.:	21-TA003519DJ
Project No.:	6081101
Solicitation Title:	Portosueno Park South Seawall Replacement
Addendum Date:	November 19, 2020
Procurement Contact:	Dave Janney Senior Procurement Agent

**IFBC 21-TA003519DJ is amended as set forth herein. Responses to questions posed by prospective bidders are provided below. This addendum is hereby incorporated in and made a part of IFBC 21-TA003519DJ.**

### **ADD:**

#### **APPENDIX K (FILLABLE), BID PRICING FORM**

The Appendix K (Fillable), is hereby incorporated as a separate attachment to the IFBC.

### **REPLACE:**

#### **SECTION B, BID FORMS, APPENDIX K, BID PRICING FORM**

Replace Appendix K Bid Pricing Form, with the Revised Appendix K Bid Pricing Form hereby incorporated into the IFBC.

### **DELETE:**

#### **SECTION C, BID ATTACHMENTS, BID ATTACHMENT 4, SCOPE OF WORK**

Delete Bid Attachment 4 Scope of Work from this solicitation.

## **QUESTIONS AND RESPONSES:**

**Q1. Could you please advise if there is an estimated budget and/or an anticipated start date for the Portosueno Park South Seawall Replacement project?**

R1. The engineer's estimated opinion of cost is \$623,455.00

**Q2. Will the County accept electronic submission of bids?**

R2. Refer to A.04 - Submission of Bids in the IFBC Document.

**Q3. There is NO pre-bid meeting, walkthrough or conference call for this project?**

R3. Refer to A.02 - Solicitation Information Conference in the IFBC document.

**Q4. Regarding the Survey and As-builts:**

**It appears as that we won't be needing a pre – topographic survey of the site conditions as it appears the county already has these recorded.**

**However, on page 67, it mentions subsurface utility locations. Do you need us to perform SUE level B (designation) prior to the beginning of work? Should we also include a SUE level A (verification by test holes)?**

**or it would be enough with locating existing underground utilities by "811" services, and we can keep the scope of work to layout and as-built services? (on the survey and as-builts part of the project)**

R4. A topographic survey was completed as part of the project design. SUE is not required. The Contractor must call 811 to have the utilities located.

### **NOTE:**

Items that are ~~struck through~~ are deleted. Items that are underlined have been added or changed. All other terms and conditions remain as stated in the IFBC.

### **INSTRUCTIONS:**

Receipt of this addendum must be acknowledged as instructed in the solicitation document. Failure to acknowledge receipt of this Addendum may result in the response being deemed non-responsive.
