BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Rough Terrain Crane Rental from Sims Crane and Equipment Co. without conducting a competitive solicitation process for the following reason(s):

The annual inspection of the Water Treatment Plant Dam requires two (2) specialized cranes and trained operators to complete the inspection. Sims Crane and Equipment Co. is one of the few companies to offer both the cranes and operators. Past inspections have been successfully completed by Sims Crane and Equipment Co. Vendors that are not familiar with the dam could cause delays, resulting in unnecessary downtime and future complications due to unfound structural problems.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than June 20, 2024 for evaluation and consideration.
