BACKGROUND/DISCUSSION

The Manatee County Procurement Division has completed a due diligence review and intends to procure Barber surf rake parts and repair services from Barber and Sons, Inc. without conducting a competitive solicitation process for the following reasons:

The Public Works Department maintains several Barber surf rakes for raking and cleaning the public beaches. Barber and Sons, Inc., Naugatuck, Connecticut, is the OEM and patent holder for Barber surf rakes. The Public Works Department and the Procurement Division have determined that these repair parts and services, sourced from Barber and Sons, Inc. are in the County's best interest.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than November 22, 2021 for evaluation and consideration.
