BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure ELTEC Solar EVCS Advisory Flasher Assembly Kit from Rainbow Distributors USA, Inc. without conducting a competitive solicitation process for the following reason(s).

The ELTEC Solar EVCS Advisory Flasher Assembly Kit was the existing device used by the Fire Department. The previous kit was destroyed in Hurricane Milton. Installing a different system would create a larger replacement expense and extend the downtime of the system.

Any company that believes they can provide this good or service must provide, in writing, convincing technical data sufficient to support their position to the Manatee County Procurement Division at purchasing@mymanatee.org no later than November 27, 2024 for evaluation and consideration.
