BACKGROUND/DISCUSSION

The Manatee County Procurement Division has completed a due diligence review and intends to procure Rotary OEM vehicle lifts, parts and repair services from Stickney Equipment, LLC without conducting a competitive solicitation process for the following reasons:

The Public Works Department maintains the County fleet and utilizes vehicle lifts for that purpose. The County has established a standard of use to Rotary OEM lifts. Stickney Equipment, LLC, of Valrico, is the only Rotary OEM authorized dealer and service provider in the area. The Public Works Department and the Procurement Division have determined that these vehicle lifts, parts and services, sourced from Stickney Equipment, LLC are in the County's best interest.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than October 25, 2021 for evaluation and consideration.
