BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Outfield Fencing at Palma Sola from Smith Fence Company without conducting a competitive solicitation process for the following reason(s):

Smith Fence Company has previously provided fencing services for the County, including replacing backstops, installing new fencing, and performing fence replacements. Smith Fence Company is familiar with the County's standardized fencing types and installation requirements. Using an alternative vendor may lead to project delays and increase costs due to the lack of familiarity with these standards.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than August 25, 2025 for evaluation and consideration.
