BACKGROUND/DISCUSSION

- The Work included in this bid is defined as all operations necessary for applying a double application of bituminous surface treatment and fog seal on prepared road base to the lines and grades established by Manatee County Public Works Department.
- As a result of formal competitive sealed bid procedures, a total of one (1) bidder submitted a sealed bid for consideration. Please refer to the attached bid tabulation for a breakdown of the bid submitted.
- The bid received has been reviewed by the Public Works Department's project manager for this project and has been deemed fair and reasonable based on the asphalt manager's opinion of cost for this project and past (2016) CDBG Chip and Seal solicitations where only one bid was received as well with similar pricing.
- On April 5, 2017 a memorandum was received from the Neighborhood Services recommending award to Asphalt Paving Systems, Inc. for a total bid amount of \$208,918.78 using a bid based on a 45 calendar day completion time.
- Funding for this project is from a Community Development Block Grant (CDBG).

MEMORANDUM

To: William O'Shea, Development Project Manager
From: Jeff Streitmatter III, P.E., Project Management Div. Manager
Date: March 31, 2017
Subject: Chip Seal Treatment Project
CDBG Project # 9012233
Asphalt Paving Systems
Recommendation for Award - IFB# 17-0773GC

The bids for the above referenced project have been reviewed by staff. The bid tabulation form is attached for your review. It is recommended that the contract, with a construction time of 45 days be awarded to the lowest responsive, responsible bidder, Asphalt Paving Systems, Inc. in the amount of \$208,918.78 and in accordance with the terms and conditions of the bid package. Upon completion of project award, please provide a copy of the purchase order assigned to the contractor. The funding source for this contract is CDBG grant.

With only one contractor submitting a bid, I have compared this bid to previous Chip Seal Projects received and found it to be fair and reasonable.

Please contact Brian Martineau, Sr. Engineering Specialist if you have any questions regarding the attached documents.

Thank you for your continued assistance.
