QUESTIONS AND RESPONSES:

Q1. Tab 6, Item 4 requests resumes for key staff to be included within the 20-page limit. Considering the complex nature of this project and the level of preconstruction and construction effort required, in order to demonstrate the proper qualifications of a large dedicated staff, will the County consider allowing detailed resumes to be provided as an attachment to this section and excluded from the 20-page limit, similar to the note under Tab 9 for additional photographs and exhibits? Please advise.

R2. No, the resumes are to be included in the page limits established. Proposers should submit resume information that is relevant to the project listed in the solicitation, and pages may be double-sided.

NOTE:

Deleted items will be ~~struck through~~, added or modified items will be underlined. All other terms and conditions remain as stated in the RFQ.

INSTRUCTIONS:

Receipt of this addendum must be acknowledged as instructed in the solicitation document. Failure to acknowledge receipt of this Addendum may result in the response being deemed non-responsive.
