BACKGROUND/DISCUSSION

- ▶ ProMinent sodium hypochloride pump skids from Trinova-Florida are used currently at the North County WR and the Southeast WR facilities.
- ▶ Manatee County has decided that it is in the county's best interest to standardize the sodium hypochloride pump skids to ProMinent and not experiment with other brands of pump skids.

If a vendor believes this item is not a noncompetitive procurement, Manatee County Purchasing Division requires prospective vendors provide information regarding their ability to supply the commodity or contractual services described prior to the date indicated for "date contract shall be awarded".
