BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Homa Pumps from Barney's Pumps, Inc. without conducting a competitive solicitation process for the following reason(s):

The Utilities Department houses a range of pumps within its lift stations, including Homa pumps among its inventories. In the pursuit of efficient and effective operations, the County has found the necessity for replacement pumps to uphold their standards of service. As the exclusive distributor and certified warranty repair facility for Homa pumps in Southwest Florida, Barney's Pumps, Inc. stands as the premier solution to the County's needs. The seamless integration of new Homa pumps streamlines processes without the requirement for system alterations, translating to paramount cost-effectiveness and resource efficiency for the County's operations in both immediate and enduring capacities.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than September 12, 2024 for evaluation and consideration.
