BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Prominent and Promgard chemical feed systems from Trinova, Inc. without conducting a competitive solicitation process for the following reason(s):

The Utilities Department, Water Treatment Division, has established a standard for the disinfectant chemical feed system to the Prominent and Promgard systems. Trinova, Inc., is the only OEM provider for these systems for Manatee County. The Utilities Department and Procurement have determined that these systems, sourced from Trinova, Inc., is in the County's best interest.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than February 21, 2023 for evaluation and consideration.
