**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure 1,051 cubic yards of coco brown mulch from Mulch Blowers of Florida, Inc. without conducting a competitive solicitation process for the following reason(s):

There are only two companies in the County's service area that supply and install ADA Certified Engineered wood fiber coco brown mulch, with the quantity of cubic yards required by the County, with installation provided by the blowing method. The blown method produces more a faster and more uniform depth. Mulch Blowers of Florida, Inc. product availability and installation services best align with the County's goals and objectives.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than August 12, 2022 for evaluation and consideration.
