BACKGROUND/DISCUSSION

► Manatee County Public Works Department, Fleet Division needs to make repairs to Cummins diesel engines in various heavy equipment/vehicles.

► Cummins Power South, LLC is the only factory authorized repair center for the county of Manatee. While other suppliers can make repairs to diesel engines, only Cummins Power South, LLC can make factory authorized repairs to maintain or establish a factory warranty on these engines.

If a vendor believes this item is not a sole source procurement, Manatee County Purchasing Division requires prospective vendors provide information regarding their ability to supply the commodity or contractual services described prior to the date indicated for "date contract shall be awarded".
