**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure Bosch Autodome CCTV Camera from Transportation Control Systems, Inc. without conducting a competitive solicitation process for the following reason(s):

Manatee County Public Works Department has installed Bosch Autodome CCTV cameras across the County. To maintain these cameras, it requires proprietary parts that are exclusively and solely distributed in Florida by Transportation Control Systems, Inc. Other CCTV cameras would not integrate with the current software used to operate the cameras and replacing all cameras would be costly to the County.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than July 15, 2024 for evaluation and consideration.
