**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure drainage work and final grading and stabilization to obtain the ERP from Waterfront Property Services, LLC dba Gator Dredging, LLC without conducting a competitive solicitation process for the following reason(s):

This noncompetitive procurement will address dredging and final grading work necessary for the United States Army Corps of Engineers (USACE) continue their current project at the Washington Park Preserve.

This contractor was chosen based on their current presence at the work site under agreement with the USACE. This aspect of the USACE project is not covered under their scope of work and falls onto the County for immediate completion and is required to obtain the Environmental Resource Permit (ERP).

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than June 22, 2021 for evaluation and consideration.
