Solicitation Addendum

Addendum No.: 2
Solicitation No.: 24-R084813JK
Solicitation Title: Potable Backflow Preventer Services
Addendum Date: August 2, 2024
Procurement Contact: Julie Kovacs

Request for Offer No. 24-R084813JK is amended as set forth herein. Responses to questions posed by prospective bidders are provided below. This Addendum is hereby incorporated in and made a part of Request for Offer No. 24-R084813JK.

The deadline to submit all inquiries concerning interpretation, clarification or additional information pertaining to this Request for Offer is July 26, 2024.

QUESTIONS AND RESPONSES:

Q1. Will we be able to continue processing non-comps the way we currently are, or would our process have to shift?

R1. All backflow preventer testers are required to utilize County provided software (ServiceLink) in real time. It means every tester shall open all service orders assigned to them in the County software and enter their test results, comments, and relevant pictures directly into software during testing. Software provides a map with service site locations. Tester can see the entire map with all service orders that were assigned to them to help them with efficiency of their routes.

NOTE:

Deleted items will be ~~struck through~~, added or modified items will be underlined. All other terms and conditions remain as stated in the Request for Offer.

INSTRUCTIONS:

Receipt of this Addendum must be acknowledged as instructed in the solicitation document. Failure to acknowledge receipt of this Addendum may result in the response being deemed non-responsive.
