**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure ESO EHR Suite Subscription: Patient Care Reporting from ESO Solutions, Inc. without conducting a competitive solicitation process for the following reason(s):

Manatee County EMS has been using ESO as their Electronic Health Record (EHR) Suite subscription to facilitate comprehensive patient care reporting. This software ensures smooth operations by providing unlimited user access, various mobile applications, real-time support, state and federal data reporting compliance, consistent weekly web training sessions, and frequent system updates. Efficient patient tracking and reporting within Emergency Medical Services (EMS) are essential for meeting stringent State and Federal regulations. The ESO suite allows Manatee County to accurately report mandated data points, track patient progress, and meet requirements with ease. The tailored and standardized ESO suite is a software solution that optimizes operations for all employees within Manatee County EMS.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than September 15, 2024 for evaluation and consideration.
