BACKGROUND/DISCUSSION

The Manatee County Procurement Division has completed a due diligence review and intends to procure annual software maintenance services from Paradigm Software, LLC without conducting a competitive solicitation process for the following reasons:

The Manatee County Landfill has been utilizing the CompuWeigh Weighing and Routing Solution for over twenty years; the CompuWeigh Weighing and Routing Solution is sold and supported exclusively by Paradigm Software, LLC; the CompuWeigh Weighing and Routing Solution requires annual software maintenance services; there is no reasonable alternative to procuring the proprietary software services from Paradigm Software, LLC.

Any company that believes it can provide these services must submit detailed information about its services to the Manatee County Procurement Division at purchasing@mymanatee.org no later than April 28, 2023.
