**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure emergency related radio parts, equipment, and related services from Tescos, Inc. without conducting a competitive solicitation process for the following reason(s):

Emergency radio parts, equipment, and services are needed by the County in a timely manner. Tescos, Inc. has proven to be a one-stop shop for the County's Radio Division for parts and services to maintain over 3,500 radios for over 40 agencies that support public safety and local law enforcement. Other suppliers have not been able to provide all the needed emergency radio related items and services for the County, requiring multiple orders and untimely deliveries.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than June 23, 2022, for evaluation and consideration.
