### BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure a MANCOC480-3-20 Triplex White Powder Coated Stainless Steel Enclosure MANCOJBD Junction Box from Barney's Pumps, Inc. without conducting a competitive solicitation process for the following reason(s):

The County has established a standard of electrical control panels fabricated to County specifications by Barney's Pumps, Inc. This has minimized spare part inventory. Any modifications would result in additional expenses if replaced with another manufacturer's equipment.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than December 27, 2024 for evaluation and consideration.
