BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Manatee County Oyster Shell Recycling Program from Waste Pro of Florida, Inc. without conducting a competitive solicitation process for the following reason(s):

Waste Pro of Florida, Inc. currently provides collection and transportation services for discarded oyster shells as part of Manatee County’s Oyster Recycling Program, in accordance with the fully executed Standard Grant Agreement (RCP23) between the Manatee County Board of County Commissioners and the Florida Department of Environmental Protection. Waste Pro possesses the required equipment and operational capacity to continue these services without interruption for the 2026–2027 term.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than June 6, 2025 for evaluation and consideration.
