BACKGROUND/DISCUSSION

The Manatee County Procurement Division has completed a due diligence review and intends to procure Domo software and services without conducting a competitive solicitation process for the following reasons:

- Domo is proven to be compatible with the County's existing CIS.
- Domo is proven to be an exceptional tool that meets the County's requirements.
- There are other companies that offer similar software and services; however, the compatibility with the County's existing CIS is unknown.
- A competitive solicitation process cannot reasonably be used, or, if used, will result in significantly higher administrative costs with an unknown outcome.

Based upon these and other factors, the County plans to standardize the above referenced product.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than November 3, 2020 for evaluation and consideration.
