Re: Request For Proposal #12-0778DC  
Third Party Administration for Medical Billing Services

In accordance with the Request For Proposals, Article A.11 Reserved Rights, the County is rejecting all submittals in response to the referenced services due to a review by the County Community Services Department staff that the procurement of software for the indigent medical billing for in-house staff operations will be more cost effective than an out-sourced contract.

Unfortunately circumstances have ended this process, but we appreciate your patience and the time and effort you have expended with this Request For Proposal.
