BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Xylem V-Turbine Pump from Hudson Pump & Equipment without conducting a competitive solicitation process for the following reason(s):

Hudson Pump & Equipment can provide a direct replacement pump for the existing pump that is no longer manufactured or supported by Siemens Corporation. Hudson Pump & Equipment is the exclusive representative for Goulds Pumps in this area. Research of other pumps found they did not meet the same specifications as the existing equipment, or they didn't offer the same features as Goulds Pumps.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than July 14, 2025 for evaluation and consideration.
