RFQ No. 23-R081706CD is amended as set forth herein. Responses to questions posed by prospective proposers are provided below. This addendum is hereby incorporated in and made a part of RFQ No. 23-R081706CD.

QUESTIONS AND RESPONSES:

Q1. With regards to the referenced RFQ, there are two separate scopes of work identified with separate submittal requirements for each. Our assumption is we can choose to respond to both scopes of work or respond to just one of them. Is this correct?

R1. All firms submitting a response are required to submit the information contained in Exhibit 2. Firms shall submit the responses for each project as outlined in Exhibits 3 through 4. Should a firm not wish to submit on both projects, they shall provide a statement to that effect under the tab for any project they are not submitting a response on.

NOTE:

Items that are ~~struck through~~ are deleted. Items that are underlined have been added or changed. All other terms and conditions remain as stated in the RFQ.
