BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Barnes pumps from Hudson Pump and Equipment, Inc. without conducting a competitive solicitation process for the following reason(s):

The Utilities Department has need of pumps for the lift station system. The County has established a standard of use to the Barnes OEM line of pumps for the lift stations. Hudson Pump and Equipment, Inc. is the only Barnes OEM supplier for Florida. The Utilities Department and Procurement have determined that Barnes equipment, service and parts sourced from Hudson Pump and Equipment, Inc. is in the County's best interest.

Based upon these and other factors, the County plans to standardize the above referenced product.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than December 30, 2020 for evaluation and consideration.
