BACKGROUND/DISCUSSION

The Manatee County Procurement Division has completed a due diligence review and intends to procure Verifone credit card transaction software and products that make up the Verifone Point Solution, from VeriFone, Inc., without conducting a competitive solicitation process for the following reasons:

The Manatee County Library System currently utilizes Verifone credit card terminals therefore Verifone software products will need to be used with the Verifone credit card terminals to ensure compatibility; VeriFone, Inc. has proprietary rights to and is the sole supplier of Verifone products; and there is no reasonable alternative to buying the Verifone products from VeriFone, Inc.

Any company that believes it can provide these goods/services must submit detailed information about its goods/services to the Manatee County Procurement Division at purchasing@mymanatee.org no later than March 23, 2023.
