BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure CUBIC Trafficware equipment, software, and licensing from Trafficware Group, Inc. without conducting a competitive solicitation process for the following reason(s):

The County has already invested in Trafficware controllers across the County as well as Synchro Green software (created by Trafficware) so by using this software program, the County will save time, money and improve safety and efficiency.

Based upon these and other factors, the County plans to standardize the above referenced product.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than April 8, 2020 for evaluation and consideration.
