BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Landfill Fleet Bay Doors Repairs from American Roll-Up Door Co. without conducting a competitive solicitation process for the following reason(s):

The County is currently facing a critical operational challenge at the Lena Road landfill fleet building with two (2) non-operational bay doors out of the total of six (6). This issue is significantly impacting the daily operations of the landfill. Fortunately, American Roll-Up Door Co. has all the necessary parts readily available and can swiftly repair the bay doors to restore full functionality promptly. Utilized successfully by other local government municipalities, American Roll-Up Door Co. carries a solid track record of efficient service delivery and can ensure a seamless resolution to this pressing matter, preventing any further delays and allowing the landfill to resume its operations at full capacity.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than March 28, 2024 for evaluation and consideration.
