BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure a 34-yard compactor rental located at the Manatee County Central Jail from Waste Pro of Florida, Inc. without conducting a competitive solicitation process for the following reason(s):

Waste Pro of Florida, Inc. has provided compactor rental services at the jail for the past five (5) years, meeting our specific waste management needs, including trash compactors and related services. Their services align with the existing waste management infrastructure, ensuring safe and efficient waste disposal. A change in providers would risk disrupting operations and potentially increase costs.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than April 3, 2024 for evaluation and consideration.
