BACKGROUND/DISCUSSION

The Manatee County Procurement Division has completed a due diligence review and intends to procure Intergraph computer-aided dispatch software from Intergraph Corporation without conducting a competitive solicitation process for the following reasons:

The Manatee County Public Safety Department has been utilizing Intergraph computer-aided dispatch software for its emergency incident management system for the last 20 years; the software requires ongoing maintenance, renewal, and support services; Intergraph Corporation has proprietary rights to the software and its required ongoing services; and Intergraph Corporation is the sole supplier of the software and its required ongoing services.

Any company that believes it can provide these goods/services must submit detailed information about its goods/services to the Manatee County Procurement Division at purchasing@mymanatee.org no later than November 17, 2022.
