BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Flygt pumps and service from Xylem Water Solutions USA, Inc. without conducting a competitive solicitation process for the following reason(s):

The Utilities Department has need of Flygt pumps for water treatment processes. The County has established a standard of use to the Flygt OEM products for the past several years. Xylem Water Solutions USA, Inc. is the only authorized Flygt dealer in Florida. The Utilities Department and Procurement have determined that this equipment, service and parts sourced from Xylem Water Solutions USA, Inc. is in the County's best interest.

Based upon these and other factors, the County plans to standardize the above referenced product.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than November 17, 2020 for evaluation and consideration.
