## **SECTION B: SCOPE OF SERVICES**

### **B.01 BACKGROUND AND INTRODUCTION**

Manatee County ("County") owns and through its Natural Resources Department manages Duette Preserve ("Preserve") which is located at 2649 Rawls Road, Duette, Florida (east of I-75 off of State Road 64 East). The Preserve is an 18,000 acre conservation land containing the headwaters of the Manatee River, rich in cultural, historic, and natural resources. The Preserve is a managed landscape, with some areas being restored to a native condition with regular applications of prescribed fire and other areas having been managed using mechanical treatment, i.e., cattle grazing.

The County has adopted the Duette Preserve Management Plan which provides for the restoration of certain degraded former agricultural areas throughout the Preserve to a natural longleaf pine habitat. To facilitate this management goal, it is the objective of the County to remove as much Bahia sod as possible from the Preserve to provide the County contractor, Kissimmee Valley, access to the ground for planting of longleaf pine trees.

It is the purpose of this RFP to solicit written proposals from qualified firms to provide services to purchase and harvest the Bahia sod from the Preserve. Except as otherwise provided herein, the contractor shall furnish all resources necessary to provide the services described herein and shall have sufficient qualified personnel available to perform the services in a timely manner.

### **B.02 HARVESTING REQUIREMENTS**

- B.02.1 Approximately 1,000 acres of former Bahia pasture is anticipated to be harvested (location identified in attached Figure A) over a two year period.
- B.02.2 The requirement is for a one-time harvest of the Bahia pasture.
- B.02.3 Contractor shall adhere to all erosion/water quality Best Management Practices (BMP) as provided by the Florida Department of Agriculture and Consumer Services for sod (DACS-P 01330) in regards to erosion control and cutting methods. Upland buffer distances, as provided in sod BMPs must be adhered to for any isolated wetland (15 feet) or water course (25 feet) encountered in the project area. Any rutting or surface elevation alterations made in the course of harvest activities shall be repaired to existing conditions as ongoing maintenance for the duration of harvest.

**B.03 HARVESTING SCHEDULE**

- B.03.1 It is anticipated that the required harvest will be accomplished over a two-year period contingent on the tree planting completed by the County.
- B.03.2 The first harvest is to be completed between October and November of 2012 for an estimated 500 acres as identified on the attached map (Figure B). Exact areas, Bahia quality, and acreage may change within the 1,000 acre restoration footprint over the course of the two year period as environmental and market conditions and/or timing of tree planting may vary; therefore, the Contractor shall be responsive to field directed changes on harvest areas.
- B.03.3 The Bahia harvest shall only be performed ahead of the tree plantings. Once tree plantings have initiated on a given area, any Bahia harvest of that area must cease. The Contractor may work ahead of the tree planting; but shall not delay the tree planting which will take priority. Trees are anticipated being planted in December 2012; but, may be done as early as November.
- B.03.4 Harvesting can only be performed during regular work days (no holidays), Monday through Friday, unless otherwise authorized by the County.

**B.04 STAGING AREAS AND ACCESS**

- B.04.1 Any staging areas required for harvest activities shall be entirely set within the defined areas eligible for harvest, as shown in Figure B. Any request for deviation must be approved by the County.
- B.04.2 Access to defined harvest areas within the Preserve is limited to the mapped trail system as shown on the attached Duette Preserve Trail Map. During harvesting, the Contractor's vehicles or equipment shall not obstruct the Preserve trails at any time. Entry through the Preserve shall be at the Trail One gate located at Bear Bay Road unless otherwise approved by the County.

**B.05 CONDITIONS**

The Bahia sod is not in "farm condition" and the County makes no guarantee as to the quantity, quality, or value of the Bahia sod available for harvesting, and as such, requires the Contractor to make the best offer based on existing conditions at time of invitation.

**B.06 PERMITTING / NOTICE OF INTENT**

The work to be performed under this contract is not classified as an agricultural activity, but is part of ongoing environmental restoration efforts on a conservation land and is not applicable to Florida State Administrative Rules, Notice of Intent to Implement (NOI).

**END OF SECTION B**

## **MANATEE COUNTY LOCAL PREFERENCE LAW AND VENDOR REGISTRATION**

### **Section 2-26-6. Local preference, tie bids, local business defined.**

(a) Whenever a responsible local business bidder and a responsible non-local business bidder are found, upon the opening of bids, to have both submitted the lowest responsive bid, the bid of the local bidder shall be awarded the contract. Should more than one responsible local business bidder match the responsible non-local business bidder's lowest responsive bid, or should no responsible local business bidder match the lowest responsive bid but two or more responsible non-local business bidders submit lowest responsive bids for equal amounts, then the award of the contract shall be determined by a chance drawing, coin toss, or similar tie-breaking method conducted by the purchasing office and open to the public. Any bidders seeking to be recognized as local businesses for purposes of this local business preference provision may be required by the terms of the bid announcement to certify they meet the definition of local business set forth in this section, and to register as a local business with the county in the manner prescribed by the county to facilitate the county's ability to track the award of contracts to local businesses and to allow the county to provide future notifications to its local businesses concerning other bidding opportunities.

(b) Nothing herein shall be deemed to prohibit the inclusion of requirements with respect to operating and maintaining a local place of business in any invitation for bids when the bidder's location materially affects the provisions of the services or supplies that are required by the invitation.

(c) Local business is defined as a business legally authorized to engage in the sale of the goods and/or services to be procured, and which certifies within its bid that for at least six (6) months prior to the announcement of the solicitation of bids it has maintained a physical place of business in Manatee, Desoto, Hardee, Hillsborough, Pinellas or Sarasota County with at least one full-time employees at that location.

**(d) Each solicitation for bids made by the county shall contain terms expressly describing the local business preference policies of the county, and shall provide that by electing to submit a bid pursuant to a request for bids, all bidders are deemed to understand and agree to those policies.**

(e) For all contracts for architecture, professional engineering, or other professional services governed by Florida Statute § 287.055, the Consultants' Competitive Negotiation Act, the county shall include the local business status of a firm among the factors considered when selecting which firms are "most highly qualified." In determining which firm is the "most qualified" for purposes of negotiating a satisfactory contract, preference shall be given to a local business where all other relevant factors are equal.

(f) Local preference shall not apply to the following categories of contracts:

1. Goods or services provided under a cooperative purchasing agreement or similar "piggyback" contract;
2. Contracts for professional services subject to Florida Statute § 287.055, the Consultants' Competitive Negotiation Act, except as provided for in subsection (e) above;

**Section 2-26-6. Local preference, (CONTINUED)**

(f) Local preference shall not apply to the following categories of contracts continued)

3. Purchases or contracts which are funded, in whole or in part, by a governmental or other funding entity, where the terms and conditions of receipt of the funds prohibit the preference;
4. Purchases or contracts made pursuant to a non-competitive award process, unless otherwise provided by this section;
5. Any bid announcement which specifically provides that the general local preference policies set forth in this section are suspended due to the unique nature of the goods or services sought, the existence of an emergency as found by either the county commission or county administrator, or where such suspension is, in the opinion of the county attorney, required by law.

(g) To qualify for local preference under this section, **a local business must certify to the County that it:**

1. Has not within the five years prior to the bid announcement admitted guilt or been found guilty by any court or state or federal regulatory enforcement agency of violation of any criminal law, or a law or administrative regulation regarding fraud;
2. Is not currently subject to an unresolved citation or notice of violation of any Manatee County Code provision, except citations or notices which are the subject of a current legal appeal, as of the date of the bid announcement;
3. Is not delinquent in the payment of any fines, liens, assessments, fees or taxes to any governmental unit or taxing authority within Manatee County, except any such sums which are the subject of a current legal appeal.
