**BACKGROUND / DISCUSSION**

The Manatee County Procurement Division has completed a due diligence review and intends to procure replacement poles and netting from Golf Range Netting, Inc. without conducting a competitive solicitation process for the following reasons:

The Manatee County Golf Course driving range netting system was originally procured in 2017, by way of solicitation, from Golf Range Netting, Inc., thus standardizing the netting system.

Procuring replacement poles and netting from Golf Range Netting, Inc. for the Manatee County Golf Course will ensure standardization, compatibility, and warranty with the County's existing driving range netting system.

A competitive solicitation process cannot reasonably be used, or, if used, will result in significantly higher administrative costs with an unknown outcome.

Based upon these and other factors, the County plans to standardize the above referenced product.

Any company that believes it can provide this good / service must submit detailed information about its goods / services to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than April 28, 2021 for evaluation and consideration.
