### BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Assmann hypochlorite storage tanks from Odyssey Manufacturing without conducting a competitive solicitation process for the following reason(s).

The County currently has two Assmann storage tanks at the site in question. Two more storage tanks are needed and only Assmann storage tanks will fit on the site without modifications of the tank holding structure. The Utilities Department has compared the Assmann storage tanks to other tanks available and found them to be superior in design and price.

Any company that believes it can provide this good or service must provide, in writing, convincing technical data sufficient to support their position to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than July 22, 2020.
