BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Thor Guard Lightning Protection System from Thor Guard, Inc. without conducting a competitive solicitation process for the following reason(s).

Manatee County's diverse parks cater to various recreational needs, with facilities like the swimming pool at the Lincoln Park Aquatic Center offering swimming lessons. Safety is paramount, and Thor Guard, Inc. shines in this regard with its real-time lightning detection and predictive technology, setting it apart from other systems. With its sensors, alert devices, and monitoring software, Thor Guard ensures vital real-time lightning forecasting crucial for maintaining a secure environment, which is crucial around swimming pools. As the sole source manufacturer and marketing organization of the Thor Guard Lightning Protection Systems, its patent-protected technology underscores its commitment to safety.

Any company that believes they can provide this good or service must provide, in writing, convincing technical data sufficient to support their position to the Manatee County Procurement Division at purchasing@mymanatee.org no later than April 17, 2025 for evaluation and consideration.
