BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Avive AEDs with Real Connect Software from Avive Solutions, Inc. without conducting a competitive solicitation process for the following reason(s):

Avive AEDs offer newer technology, more reliability, and require less maintenance than current AEDs used throughout the County. The Avive AEDs will be connected to 911 services and can be monitored remotely. By remotely monitoring the AEDs, the Utilities Department will reduce the number of staff hours required to maintain the units. The proprietary Avive AEDs are sold exclusively by Avive Solutions, Inc.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than July 17, 2024 for evaluation and consideration.
