### BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Flygt pumps, parts and repair services from Xylem Water Solutions USA without conducting a competitive solicitation process for the following reason(s).

The Manatee County Utilities Department, Lift Stations Division has set a standard for the use of Flygt pumps in the lift station system. It is not in the best interest of the County to allow other brands into this system as it would cause an undue burden with multiple parts inventories, difficult repair diagnosis and unacceptable performance standards.

Any company that believes they can provide this good or service must provide, in writing, convincing technical data sufficient to support their position to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than May 22, 2020.
