ADDENDUM 1**

The following addendum is issued to add to, modify, and/or clarify the above named solicitation documents. The items contained within this Addendum shall have the same force and effect as if contained within the first issued solicitation document and any cost involved shall be factored into the response. Quoters shall acknowledge receipt of this and any other addenda issued pursuant to this Request for Quotes in their quote submittal.

**Item 1:** The RFQ due date is suspended until after a site-visit can be arranged. The site-visit is required to allow quoters an opportunity to inform themselves of the placement of the generator and the cabling requirements for the transfer switch.

A future addendum will announce the site-visit and set the revised RFQ due date and time.

Sincerely,
