BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure hydrological monitoring and reporting services from Greenman-Pedersen, Inc. without conducting a competitive solicitation process for the following reason(s):

The Utilities Department, Water Quality Compliance Division, has need of a service provider to supply hydrological monitoring and reporting services for specific wetlands in compliance of Southwest Florida Water Management District requirements. Greenman-Pedersen, Inc., has been providing this service to the County since 2009. The Utilities Department and Procurement have determined that these services, sourced from Greenman-Pedersen, Inc., is in the County's best interest.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than February 21, 2023 for evaluation and consideration.
