**BACKGROUND/DISCUSSION**

The Manatee County Procurement Division has completed a due diligence review and intends to procure MPM displays, infotainment kits, and annual management support and warranty from Avail Technologies, Inc. without conducting a competitive solicitation process for the following reasons:

- The County procured its Integrated Vehicle Location System from Avail Technologies, Inc. in 2018 through a Request for Proposals (RFP) and requires Avail products and services for the System on an as-needed basis.
- Procuring the required products and services from Avail Technologies, Inc. will ensure standardization, warranty, and compatibility with the County's existing Avail Integrated Vehicle Location System.
- The only alternative to procuring the required products and services from Avail Technologies, Inc. is to procure the products and services from a different manufacturer, which may require the replacement of the existing Avail Integrated Vehicle Location System, resulting in significantly higher costs with an unknown outcome.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than October 24, 2021 for evaluation and consideration.
