ACTION DESIRED

Authorization to enter into negotiations with Cyrix Engineering, Bradenton, FL (Sarasota mailing address) for the purpose of providing a Engineer of Record Professional Services for the widening 75th Street West from 44th Avenue West to 53rd Avenue West (Roundabout) for an estimated not to exceed amount of \$50,000.

ENABLING/REGULATING AUTHORITY

Federal/State law(s), administrative ruling(s), Manatee County Comp Plan/Land Development Code, ordinances, resolutions, policy.)

Manatee County Code of Laws, Chapter 2-26 Manatee County Purchasing Ordinance, Section 2-26-40 and the Standards and Procedures approved by the County Administrator.

BACKGROUND/DISCUSSION

- The Public Works Department, Project Management Division requires an Engineer of Record for the roadway project widening 75th Street West from 44th Avenue West to 53rd Avenue West (Roundabout).
- 8/25/09 – 9/23/09 the appropriate request for qualifications procedures were followed as direct by the County Attorney's Office. The Request for Qualifications (RFQ) was posted on the County's website in an effort to inform local Manatee County vendors of the RFQ's availability. Two (2) Manatee County firms Cyrix Engineering and ZNS Engineering submitted proposals.
- Proposals were received from the following contractors:
AIM Engineering, Tampa, FL
CPH Engineering, Sarasota, FL
Cyrix Engineering, Bradenton, FL
ZNS Engineering, Bradenton, FL
- 9/29/09 it was determined that Cyrix Engineering was determined to be the most qualified to provide Engineer of Record Roadway Improvement Project for the widening of 75th Street West from 44th Avenue West to 53rd Avenue West (Roundabout). Of particular importance are: the firm designed and developed the drawings for this project, past experience with the County, and cost effectiveness of proceeding in this manner.
- The remaining firms although well qualified were not selected based on a comparison of capabilities in performing this project.

SUMMARY

Recommend negotiations with Cyrix Engineering
