#### BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure 36" and 42" Transmission Main Leaks Detection and Condition Assessment from Pure Technologies, Ltd. without conducting a competitive solicitation process for the following reason(s).

Pure Technologies is the only vendor that has the proprietary technology to gather assessment of the internal structure of prestressed concrete cylinder pipe (PCCP). Pure Technologies Ltd. has created various leak detection and condition assessment technologies that are protected by North American and international patents and form an integral part of Pure Technologies Ltd.'s intellectual property portfolio.

Any company that believes they can provide this good or service must provide, in writing, convincing technical data sufficient to support their position to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than December 11, 2023.
