**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure Submersible Replacement Pumps from Barney's Pumps, Inc. without conducting a competitive solicitation process for the following reason(s):

The County has established a standard of use to the Hydromatic line of pumps. Barney's Pumps, Inc. is the sole distributor and certified warranty repair for Hydromatic Pumps for the SW Florida region. Continued use of Hydromatic Pumps allow for quicker repair times and minimize spare parts inventory. No modifications will be needed for these pump replacements because they are replacing older Hydromatic pumps.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than January 12, 2024 for evaluation and consideration.
