**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure nine Power-Pro XT ambulance stretcher cots from Stryker Sales, LLC without conducting a competitive solicitation process for the following reason(s):

The County has a fleet of 27 ambulances that have Stryker's proprietary load system that works with these stretchers. Although this model Power-Pro XT stretcher cot is available from other sources, Stryker's same model is specially configured to work with their load system.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than February 28, 2022, for evaluation and consideration.
