BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure GPS Systems from Sitech North and Central Florida, LLC without conducting a competitive solicitation process for the following reason(s):

The County has invested a substantial amount of capital in purchasing and maintaining a complex GPS System to aid in landfill operations. Sitech North and Central Florida, LLC is the only company in Florida authorized to sell and service the Caterpillar/Trimble/CCS/GCS systems compatible with the Caterpillar Compactors and Dozers. Additional hardware/software purchased from Sitech North and South, LLC allows the county to maintain warranties.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than November 30, 2023 for evaluation and consideration.
