Manatee County Code of Laws

BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Valmont Industries, led light fixtures and pole bases from Dot Lighting, Inc., without conducting a competitive solicitation process for the following reason(s):

Manatee County Public Works Department uses, and stocks Valmont street light poles and equipment currently used at 3800 locations across the County. Dot Lighting, Inc. is the single source representative of Valmont Industries for traffic signal poles, streetlight pole products, and GE Lighting for light fixtures of DOT roadway projects. The Public Works Department and the Procurement Division have determined that these repair parts and services sourced from Dot Lighting, Inc., are in the County's best interest.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than October 28, 2021, for evaluation and consideration.
