**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure a new Promac LDM30 delivered to Manatee County from Menzi USA Sales Inc. without conducting a competitive solicitation process for the following reason(s):

Manatee County has officially adopted the Menzi Excavators and Promac attachments as the standard equipment for all operations within the County. The Promac attachments have been carefully selected to meet the necessary specifications for the Menzi equipment. As the authorized dealer of Promac equipment, associated parts, and service, Menzi USA Sales Inc. is the responsible provider of these attachments. It is imperative that the LDM30 attachment is acquired in order to ensure the smooth continuation of maintenance operations throughout Manatee County.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than January 29, 2024 for evaluation and consideration.
