### BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure nine additional ProQA software licenses with service and support from Priority Dispatch Corp without conducting a competitive solicitation process for the following reason(s).

*The County has Priority Dispatch Corp's ProQA software in operation. Additional licenses are required to keep up with call volume and for additional staff at the ECC and MSO. Priority Dispatch owns the source code and is the only provider of their ProQA licenses.*

Any company that believes they can provide this good or service must provide, in writing, convincing technical data sufficient to support their position to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than July 15, 2022.
