BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure services to install a C40HT drive assembly from Ovivo USA, LLC without conducting a competitive solicitation process for the following reason(s):

Ovivo, formally EIMCO Water Technologies, is a sole source manufacturer and exclusive distributor for all EIMCO Water Technologies parts and equipment in the State of Florida.

All clarifiers in use at County water reclamation facilities have an Ovivo (EIMCO) drive unit.

Using Ovivo for installation of their drive units ensures the drives are kept running at maximum efficiency.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than November 11, 2020 for evaluation and consideration.
